MATTER FOR

HEARING

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petitions to Intervene Out of Time filed in this Docket by Carey Moving & Storage of Greenville, Inc., Smith Dray Line & Storage Company, Austin Moving & Storage and Lytles Transfer & Storage, Inc. These companies all petitioned to intervene out of time in this matter based upon the fact that formerly, they received notices of filing for proposed household goods carriers. These movers have discovered that they no longer receive these notices. However, they state that they were not aware of this at the time that the Application for statewide household goods authority was filed by Poole's Moving & Storage, Incorporated.

The Commission has examined this matter and believes that the Petitions to Intervene Out of Time should be granted, based on good cause as stated above, and that the Application of Poole's Moving & Storage, Incorporated be set for hearing at such time as may be
